

# AEC SEALED MAINTENANCE FREE BATTERIES

## AEC UPS Batteries

AEC Manufacture and distribute 2, 6 and 12 Volt batteries. Our batteries are maintenance free, sealed lead acid batteries, and can be used in a wide range of applications, from uninterruptible power supplies (UPS) to powerful communication systems.

Browse through our batteries below. For a detailed spec sheet, with further information, pictures, and discharge curves, click go beside the relevant battery

AEC announces new BFD10, revolutionary battery family, long life design, high performances.

From 7 Ah up to 200 Ah models.

Check soon for data sheet and specs.

Our batteries are maintenance free, sealed lead acid batteries, and can be used in a wide range of applications, from uninterruptible power supplies (UPS) to powerful communication systems.

### General Features

- Completely Sealed Design
- Gas Recombination
- Maintenance Free
- Excellent Performance/Price Ratio and Very Low Service Costs
- High Discharge Ability
- Wide Temperature Range
- Choice of Terminals

### Typical Applications

- Electric Power Systems
- Security Systems
- Medical Equipment
- Marine Systems
- Telecommunication Equipment
- Variety of Test Machines
- Radio Transmitters and Receivers
- UPS Systems
- Railway Switches and Comms
- Emergency Lighting
- Electric Appliances
